

REPUBLICANS' RECKLESS SPENDING PLAN WOULD COST INDIANA JOBS AND MAKE INDIANA COMMUNITIES LESS SAFE

There is no disagreement that we need to cut spending. We believe that we need to do it in a responsible way so that we live within our means and can invest in the future, out-building, out-educating, and out-innovating our competitors in the world economy. But as the economy continues to recover from the deepest recession in a generation, we cannot afford to make dramatic and indiscriminate cuts that would undermine Indiana jobs and public safety. The reckless Republican spending plan would do just that - an estimated 15,000 Indiana jobs would be lost if H.R. 1 is enacted into law, and thousands of Indiana families would be less safe.

REPUBLICAN SPENDING PLAN WOULD DESTROY INDIANA JOBS

- Independent, non-partisan analysis has found that H.R. 1 will cut 700,000 jobs through 2012, with Indiana set to lose nearly 15,000 jobs.
- More than 2,000 community health center jobs will be eliminated in Indiana if the House-passed bill is enacted.

REPUBLICAN SPENDING PLAN WOULD HURT EDUCATION IN INDIANA, MAKE INDIANA'S WORKFORCE LESS COMPETITIVE

- Under H.R.1, the average Indiana undergraduate with Pell college tuition assistance will see their assistance cut by more than \$600.
- Close to 4,000 Indiana children will lose access to Head Start, an early education program that is proven to help students complete high school.
- Indiana could lose more than \$64 million in job training investments under H.R.1, which would impact approximately 350,000 potential Indiana workers.

REPUBLICAN SPENDING PLAN WILL MAKE INDIANA LESS SAFE

- H.R. 1 reduces Byrne Justice Grants for Indiana by approximately \$2.5 million.
- H.R. 1 reduces Indiana's homeland security investments by more than \$1.3 million, hurting local law enforcement's ability to keep Indiana families safe.
- The Indianapolis Public Transportation Corporation could lose more than \$300,000 in Transit Security Grants under H.R. 1.
